Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction and corrected letters patent for the above-identified patent under the provisions of Rules 1.322(a).

It has been the practice of the Patent and Trademark Office for many years to correct errors of the nature noted in your request by the issuance of a certificate of correction. Your request for a corrected patent is not practicable.

However, a certificate of correction will be issued to make the requested corrections.

Further correspondence concerning this matter should be filed and directed to:
